Our clientele comes to these Sales regularly, year after year, because they know the values represented reach back through workshop and studio to the selection of the best materials. Service, full and satisfying, is the natural consequence of this care.

NOTABLE BOOKS OF THE WEEK

World Peace

Two ways for preserving the peace of the world are discussed by two Englishmen in little books which have just appeared from this country. Gilbert Murray in "The Problem of Foreign Policy" (Houghton Mifflin Co.) finds the League of Nations adequate to the solution of the Versailles problem. The Anglo-American statesman, Thomas Seltzer, suggests that if the navies of Great Britain and the United States were pooled they could secure and maintain world peace.

Mr. Gardiner's book is an informed discussion of the relations between the United States and Great Britain, all the causes which have led to friction. Yet their information that two nations with common traditions and common political ideals ought to work more harmoniously for the general good. He says that the world needs British civilization, and he includes American civilization in it, a civilization which rests upon the democratic ideal. Mr. Gardiner belongs to that large company of broad-visioned Englishmen who are devoting themselves to the cultivation of a better understanding between the British and the American.

Gilbert Murray devotes himself to a discussion of the blunders of the British foreign policy, for which he has much contempt. He denounces the disregard of the pledges made to the little peoples and fears that irreparable damage has been done. The only way out, not only for the little peoples, but for France and Germany, lies in his opinion, in the operation of the provisions of the covenant of the League. That covenant protects France against aggression by Germany, for under it the members of the League are forbidden to go to war if their territory is threatened. It protects Germany, for the covenant provides for such modifications of the Versailles treaty as circumstances may justify. It removes from Germany the provocation to go to war to seek redress, for she can get it through the League. It removes from France the provocation to go to war to seek redress, for she can get it through the League.

A New Lincoln Book

John Buchan has written a fascinating historical novel in which he attempts to explain the genius of Lincoln had its origin. He calls it "The Patience of George H. (Grant) in the West." It is a novel of the qualities of great men reappearing in their remote descendants after being absent for generations. His story is in the life of Jim Lovell, a venturing king of that country who sets out on a foraging expedition to France or England. The king is killed, but his son, Jim Lovell, is identified by a gold ring, as they rise above the surface and achieve greatness for a while. The last two episodes deal with events in American history, with the death of the grandfather of Nancy Hanks, who wore the gold ring, and the other tells of Lincoln himself, who lost the ring when he was a boy, he used it as a bait for fish. The book grew out of a conversation in which some one said that aristocrats were not the place to look for masterful men. They were to be found in the descendants of Americans who founded the aristocracy, among the offspring of the younger sons who did not inherit the titles and the position, but who inherited the quality of the quality of the aristocracy, which it will be intensely interesting to those who marvel when a great man appears in an unexpected quarter, and though it does not explain the phenomenon, it is based on history and is put forth by anthropologists.

A Man's a Man for A' That

Franz Molnar, a well-known Hungarian dramatist, has made an intense human thing out of his study of the heart of an amusement park "barber" in "Lilium" (Holt & Livingston). The play delighted the discriminating when it was presented in New York this spring. Its appearance in a book will make it accessible to those who are not in English originally, for it has been translated into idiomatic English by Benjamin F. Glazer, so that it reads as smoothly as if it had been written in English. Originally, the barber, belongs to that class in which it is regarded as a sign of weakness to confess to any sentiment. But the sentiment is in his heart, as the reader will play can readily see. The man gets into trouble and is fatally wounded. After the death there is a scene before the Judgment Bar, where the barber confesses to his love for his wife and his daughter. But the poor fellow cannot do it, and he goes back to his torment for another period as the play unfolds. It is a beautiful and touching place fact with such poetic imagination.

THE TALE OF A CROWN-UP PETER PAN

The marriage of Miss Mary Smallberg, of 132 E. Erie street, Germantown, to Mr. Charles Gandy, of 1843 East Chelton avenue, will be solemnized at 4 o'clock this afternoon in the Church of the Immaculate Conception, East Price street, Germantown. Miss Isabel Spangler will attend her sister as bridesmaid, and Mr. Christopher Hall will be her brother's best man. A reception will follow the ceremony at the home of the bride's mother, Mr. and Mrs. Shaw will live at 422 East Dorset street.

SHAW-INSINGER

The marriage of Miss Elizabeth Ellen Insinger, daughter of Mrs. Catharine L. Insinger, of 1843 East Chelton avenue, Germantown, to Mr. Harold Morton Shaw, son of Mr. and Mrs. Charles T. Shaw, 528 East Locust street, Germantown, will take place at 4 o'clock this afternoon at the home of the bride's mother. The Rev. Wayne Avenue and Indian Queen Church, Mount Airy, will perform the ceremony, and Mr. William E. Meehan will give his granddaughter in marriage. Miss Anna C. Halstead, of 630 Morris street, Germantown, will be the bride's sister; Miss Louise Fierlin, of Glenside, and Miss Alice Laurent, of Lower Merion, will be bridesmaids. Miss Dorothy Chandler, of Charles Taylor Shaw will act as best man for the bride. The ceremony will follow the ceremony at the home of the bride's mother. After November 1 Mr. and Mrs. Shaw will live at 422 East Dorset street.

GANDY-SMALLBERGER

The marriage of Miss Mary Smallberg, of 132 E. Erie street, Germantown, to Mr. Charles Gandy, of 1843 East Chelton avenue, will be solemnized at 4 o'clock this afternoon in the Church of the Immaculate Conception, East Price street, Germantown. Miss Isabel Spangler will attend her sister as bridesmaid, and Mr. Christopher Hall will be her brother's best man. A reception will follow the ceremony at the home of the bride's mother, Mr. and Mrs. Shaw will live at 422 East Dorset street.

CHAMBERS-CUMMINGS

An interesting wedding will take place at 4 o'clock this evening in the Memorial Church of the Advocate, Eleventh and Diamond streets, when Miss Gladys May Cummings, daughter of Mr. and Mrs. George B. Cummings, of 24 West Logan street, Germantown, will become the bride of Mr. Raymond Lippincott Chambers. The Rev. Henry Martyn Modary, pastor of the church, will perform the ceremony. Miss Cummings will give her daughter in marriage. Miss Jeanette L. Hackett will attend the bride as maid of honor, and Miss Virginia Chambers will be the flower girl. Mr. Norman S. Chambers will act as best man for his brother, and the ushers will be Mr. William E. Burkard and Mr. A. Ray Geist. There will be no reception.

SYKES-MURPHY

The marriage of Miss Kathryn E. Murphy, daughter of Mr. and Mrs. John Murphy, of 5661 Boyer street, Germantown, to Mr. James A. Sykes, of 6049 Stenton avenue, Ocean City, Mr. and Mrs. Sykes will be solemnized in the Church of the Immaculate Conception, East Price street, Germantown, on Monday morning in the Church of the Immaculate Conception, the Rev. M. J. Higgins, C. M., officiating. Miss Virginia Carney will attend as bridesmaid and Mr. Christopher Hall will be best man. After a trip to Ocean City Mr. and Mrs. Sykes will live at home at 5661 Boyer street, Germantown.

NOTABLE BOOKS OF THE WEEK

Four Pilgrims

Readers of the literature of adventure will find much to their liking in the story of some famous travelers told by William Bouling in "Four Pilgrims" (E. P. Dutton & Co.). The first is an account of the journey of Hsin-t'ang, a Chinese Buddhist, from China to India and return between the years 627 and 645. The pilgrim vowed to visit every spot in India on which Buddha had set his foot and he fulfilled his vow. He had narrow escapes many perils while he was in India, who story of his achievement will be instructive to those who have not learned proper respect for men of other races and other religions. The second pilgrim was Sae'bul, an Englishman, who went to Palestine in 1102. The third is Mohammed Ibn Abd Allah, the greatest of the Mohammedan travelers, and the fourth is an adventurous Arab, sometimes known as Barthema, of Bologna, who professed conversion to Mohammedanism and visited Mecca. After he had seen the sacred city he escaped and spent some time in Aden and later in India. He was a bold spirit with ingenuity enough to get himself out of many scrapes in which a man less fortunate in expeditions would have been in grief. The story is so entertaining that it will probably lead many to look up the book in which Varthema, when he returned to Bologna in 1507, recounted at length his experiences in strange lands.

Psycho-Analyst in Novel

There have been all sorts of crime detectors and mystery solvers in modern fiction, but it has remained for Ida A. R. Wylie to give the formula of a psycho-analyst. "Rogues & Company" is the title of her really very thrilling and entrancing book, which blends breezy comedy with many mysteries. Of course, psycho-analysis has been utilized, either consciously or unconsciously, as a background or an explanatory motivation of fiction. Miss Wylie's "Rogues & Company" is a successful novel of a previous season, has an excellent old gentleman of position and leisure take hold of a potential looter of his family silver in the form of a psycho-analyst, affected by amnesia, and to redeem him from criminality. Before his memory is recovered there is time for many unusual situations, in which humor and excitement play prominent roles. The book is one of John Lane's important spring fiction offerings.

Ireland as Fiction Theme

Gerald Donovan, who wrote "Father Ralph" some time ago, has written another novel, with Ireland as the locale and the woes of "the most distressed country" as the material. "Conquest" (Doran's) attempts to explain the complexity of Ireland for the uninitiated. There are many cross currents and counter influences, political, social, racial, economic, nationalistic and what not, that combine in that curious situation or issue known as "the Irish question." Many persons make snap judgments and quick solutions by a sort of crude "Gordian knot" cutting, who they knew the complicated web and web of the tangled world surely keep quiet. Mr. Donovan seeks to state the Irish situation in terms of fiction. He is not altogether a novel with a purpose, but a story for story's sake. Therefore his explanations are not dull or dry. His theme is tragic, but his literary apparatus is that of comedy. Of course, there are many who will not agree with the author, but then, where can there be found unanimity on the Irish question, or any other question. America, or otherwise, for the matter of that? To be sure, more than three-fourths of Ireland have voted in favor of one policy, but that is considerably off from the unanimity toward achieving which Mr. Donovan clarifies some phases.

Cecil Rhodes

While the interesting story of Cecil Rhodes' career has been told at various extensions from a magazine sketch to a two-volume biography, there is nothing in the history of the convenient narration contained in "Cecil Rhodes" (Henry Holt & Co.), which Basil Williams, the general editor, contributes to the important "Makers of the Nineteenth Century" series, of which it is the eighth volume. For the thing world events have moved into a new era, and this advance gives an entirely new perspective to many of the great personalities of recent history. On this count, then, the Williams biography gains in proportion owing to the lapse of time since the death of the subject; there is a reduction of hero worship and a sounder consideration of more systematically assembled facts. For another thing the angle of attitude is different from that of any other approach to the life of the great colony builder, for the book is an interpretation of the man and his work and influence according to the program of the series. It therefore considers Rhodes as one of the men of all countries of the nineteenth century who had a definite influence on thought or action during that tense and teeming period of history. It is thus more than an interpretation of the man and his work and influence according to the program of the series. It therefore considers Rhodes as one of the men of all countries of the nineteenth century who had a definite influence on thought or action during that tense and teeming period of history. It is thus more than an interpretation of the man and his work and influence according to the program of the series. It therefore considers Rhodes as one of the men of all countries of the nineteenth century who had a definite influence on thought or action during that tense and teeming period of history.
